DOBBS FERRY'S GREAT CASE. CANDIDATE BIRD SUED FOR \$50

SPENT IN ELECTIONEERING. He Repudlates the Check He Gave on the Ground that \$10 of the Amount Was sprat Hiegally for Music, &c.—Justice Large Decides Against Him, However, the Honor Justice Lange, custodian of the rated and also of the dignity of the law for as Ferry, sat in judgment yesterday upon

amous controversy of Wood agt. Bird. Wood seeks to recover \$50 from Bird. \$50 being money alleged to have been t by said Wood in the interests of said had when said Bird sought to wing to Albany l'epublican legislator.

session began with a reading of the ous proceedings, whereby it became clear and tames Bird, the Republican candidate for Legislature, was being sued for \$50, the

t and imprisonment. Wood had spent the \$50 which he t guaranteed by the meck, he was quite calcul the refusal to pay, said uncomrm until the election was over and he himself defeated, consulted a lawyer ed to recover. From outside sources it

Mr. Wood was the first witness called. As a state of the control o

of horror, and moved to the fac corner of the room.

Mr. Wood detailed the story of the check. He had given \$15 to Dr. Hasbrook, Remotican leader of the Sixth district, \$15 to Whillam Lawrence, Republican Isaler of the Seventh district, \$5 to Joseph Patterson for distribution of the control of the seventh district, \$5 to Joseph Patterson daughter for folding and addressing croutars and other campaign literature, \$10 for music, political processions, \$6... and in the interests of and under the direction of James Bird. He had not deposited the check until \$50... 7, and heard the taxon of this testimony occupied several hours, the Justice and the attorneys written down almost every word, and everybody in the court room taking more or less part in the processions, with witnesses, with comments of the testimony, with advice to the Justice and the two attorneys. When Mr. Patterson the standard was the story in the lawyer could get a class to object, the man with the strong pipe and the strong pipe and the strong pipe of the strong pipe and the strong pipe grew weary of the tedious static between the strong pipe and the strong pipe grew weary of the tedious static pipe grew weary of the tedious sta

At last the man Don't answer that, Joe. At last the man he strong nips grew weary of the tedions slings and called out loudy that he'd be ed. If they weren't a neck of rogues," male everybody hugh loudly. It should be the stabilishing clearly that I spent the Stoffer Bird, and that so far knew, none of it dad been used in your infinialities. When his side of the was in Lawrer Andrews said he would be winesses. He went to so you can be seen to be so the source of the was in Lawrer Andrews said he would be winesses.

when Bird repudiated it he did just thing as if he had passed a counteroth attorneys fell to talking at once

Taxation met yesterday afternoon in the room of Part II. of the Superior Court. Tax Commissioner Feitner was the first witness. he said that in the last twenty years the asse-sment of realty in the city had about doubled, but that the assessment of personal property had not increased largely. Corporations were assessed so high that he knew of and interests whose factories had been button Brooklan Instead of New York. The wittestinught that if there were different methoffication, which the collector might use

Fresh accessions were arriving every moment. Who is her they asked. "How did he got shot." Who stabled him?" Will they arrest the driver of the par." When and the fit take him? "How did he fall of the train." He's crazy, ain the? Just hear him well." Devin had uplifted his voice in a last attempt to make the crowd understand that he was all right, when the policeman rethat he was all right, when the policeman returned that the report was that Mr. Bird at the provided as the thought the money had seen seen to his interests, but rather for a prosition can tablet. Mr. Fraser. The reground for this sur-picton was the fact wood is a brother-in-law of 3.6. MeComb. I because the word is a brother-in-law of 3.6. MeComb. I because the word is a brother-in-law of 3.6. MeComb. I be some stream of the district. As all is a stanch Republican and highlyessened by his kepublican neighbors, this rest did not tend to put him in a pleasanter with the policeman and highlyessened the many who had gone after water threw it away. The woman with his smelling saits said it was a same, and gared at having a lift was a same, and factor in the station house, where the victim made a complaint of larceny. The prisoner gave his name as sames Lynch, 28 years old, a bartenie-fat 182 lenth avenue. He said that he was in right, when the policeman returned with a prisoner.

Feb. 15, after having formally assumed the Stars and Stripes. There will be a big, patriotic blowout on the ship in the occasion of her transfer to American registry.

The City of Paris will dig the fidish flag for the last time on the trip she will complete at this port from liberpool on March 4. She will sail hence as a Yankee ship on March 11.

Two other vessels of the Juman line, the City of Berlin and the City of Chester, will also piv on the Southampton route. They will remain under British registry. All sailings from New York will be on Saturdiars, instead of an Wednesdays, as neretofore.

Under the new order of things the City of Paris will deliver the United States mails at the London Fost Office at least eight hours earlier than she has previously been able to do, and from four to dve hours seener than any other steamship, except the City of New York. By the new route the passenger will embark at the Inman Line's new part at New York, and upon arriving at the new Empress.

do and from fore to live house, some and to the second country to the control of the country of ckering and bantesing back and forth.

In consequence he lost his place at the pencil factory. He drank heavily in consequence, and when the child died he drank still more. It ward him and stared fixedly lare his When Lawyer Andrews was talking.

In consequence he lost his place at the pencil factory. He drank heavily in consequence, and when the child died he drank still more. At 11 o'clock yesterday morning, as Mrs. Kappelmier was making up a bed, littler, who had spent the night in drinking entered the when Lawyer Andrews was talking.

When poth were talking. Justice Lange began
to persure and wo bled his head first toward
one then toward the other.

"To ahead, give your decision", finally
shouled lawyer Andrews. "You'll decide
against me, of course, flut I will appeal and
will get justice. My client has the law, and it
don't matter what you decide.

"Liecide against"— said Justice Lange.
"Against bird," said Lawyer Andrews.

"That's right," said Lawyer Andrews.

"That's right," said Lawyer Andrews.

"That's right," said Lawyer Andrews.

"The you'll be speciators, and the
man with the strong pipe kicked a dog in his
delight.

"Les," said Justice Lange. "I think Bird
Cright to make his check good.

"Just what I expected," said Lawyer Andrews.

"BESTERN UNION PAYS ON \$100,000.

"Then the people ran up stairs to find Hittler
lying upon the floor of his room with a buillet
in his head. Hedded at 1:30 P. M. For some
reason the police arrested Mr. and Mrs. Kappelmier was making up a bed. Rittler, who

A LOOTED CITY TREASURY.

FOERSTEL NO LONGER HAS CHARGE OF ST. LOUIS'S MONEY. The Acting Mayor Suspends Him and Appoints a New Treasurer-Startling Dis-closures of Very Loose and Criminal Bo-ings in Connection with the Public Funds.

St. Louis, Dec. 20.-Last night acting Mayor Walbridge suspended City Treasurer Michael Foerstel and appointed Charles Parsons, President of the National Association of President of the National Association of Bankers, to fill the office temporarily. Mr. Parsons at once gave bonds, and early this morning commenced a thorough and systelooted City Treasury. Marshall McDonald, the lawyer, probably knows as much about the affairs of ex-Treasurer Foerstel and his son Edward as any one in the city. He said to-day: "During my investigation of Yow's case I found out a great deal. I learned that Treasurer Foerstel was using the public funds to build up Foerstelville, and that in the last twelve months he had paid out \$15,000 in interest at the rate of 5 per cent, a month to the money lenders of the town."

"Foerstel had a habit of signing five or six or a dozen blank notes and leaving them with his son Ed. There was a shortage in the cash
